## **Auditor's Report**

To the members, Y.U.F.A. Foundation

I have audited the statement of financial position of the Y.U.F.A. Foundation as at 30 April 2007 and the statement of revenue, expense, and changes in net assets for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. These standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion these financial statements present fairly, in all material respects, the financial position of the Y.U.F.A. Foundation as at 30 April 2007 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Toronto

## **Y.U.F.A. FOUNDATION** **Notes to financial statements**

Year ended 30 April 2007

### **1. Purpose statement**

The Foundation is a charitable one, incorporated under the laws of Ontario 6 February 1980. It is to promote the purposes and objectives of York University generally, including the advancement of learning and the dissemination of knowledge and the intellectual, spiritual, social, moral, cultural and physical development of its members and the betterment of society. In pursuit of these objectives the Foundation provides scholarships. The Foundation is registered as a public foundation with the Canada Revenue Agency and so is exempt from income taxes.

### **2. Accounting policies**

The Foundation employs generally accepted accounting principles appropriate for a charitable foundation. The major principles are discussed below:

#### **Basis of accounting**

The Foundation follows the accrual basis of accounting, under which revenue and expense are reflected in the year in which they are earned or incurred without regard to the receipt or payment of cash.

#### **Investments**

Investments are valued at lower of cost and market..

#### **Revenue recognition**

The Foundation receives revenue from interest on its investment and from the employment insurance rebate from the staff at Osgoode Hall. Interest is recognized as it is earned. The Osgoode Hall employment rebate is credited to revenue when it is received monthly from the university.

## **Y.U.F.A. FOUNDATION**

### **Notes to financial statements (continued)**

Year ended 30 April 2007

#### **Statement of cash flows**

The Foundation has not provided a statement of cash flows because, as the assets are virtually all cash or equivalent, the statement of revenues, expenses, and changes in members' equity discloses, adequately, the changes in financial position during the year.

#### **3. Accounts receivable**

Interest accrued on investment, and cash balance with broker.

#### **4. Investments**

\$37,000 Province of Manitoba, step-up note, due 22 August 2007, 4.25% interest annually.

#### **5. Original capital**

The Foundation's original capital, in the amount of \$89,798, came from an agreement between the York University Faculty Association and the Board of Governors of York University dated 18 March 1982. Under that agreement, and as a consequence of an amendment to the collective agreement, the Foundation received 5/12ths of the unemployment insurance reduction relating to the bargaining unit for the period 1 January 1977 to 1 May 1978 together with interest thereon until 8 October 1981 when it was paid over to the Foundation in the amount of \$57,213. The reduction of the unemployment (now employment) insurance premium followed from the introduction of a disability plan for the bargaining unit. The remaining \$32,585 was a contribution of the Board of Governors in the interests of the scholarship program established by the Foundation.

#### **6. York University Faculty Association Endowment**

The 2000 year was the last in which the Foundation provided undergraduate scholarships directly. In that same year this program was replaced by the York University Faculty Association Endowment and the directors paid \$250,000 to that endowment for scholarships with matching funds from the Ontario Student Opportunity Trust Funds. The Y.U.F.A. Trust Fund contributed \$800,000. These payments created the York University Faculty Association Endowment, with an opening capital of \$2,180,000 to provide scholarships and bursaries from its income.

Also in 2000 the directors pledged \$40,000 for Ontario Graduate Scholarship in Science and Technology, payable at \$5,000 per year to 1 May 2007.

#### **7. Scholarships**

During the year the Foundation paid \$5,000 (2006, \$5,000) to honour its pledge described in note 6 above. Also the Foundation paid \$3,000 for a new scholarship in the Faculty of Health. See note 9.

#### **8. Related parties**

One of the directors of the Foundation also act as a trustee of the Y.U.F.A. Trust Fund.

During the year the Y.U.F.A. Trust Fund advanced \$6,588 in capital contribution to the Foundation (2006, \$2,000) representing scholarships of \$8,000, past and current administrative expenses of \$1,958, less the Osgoode Hall faculty members' employment insurance contribution of \$3,370.

At its November 2006 annual meeting the Y.U.F.A. Trust Fund undertook to pay the operating expenses of the Foundation.

#### **9. Future commitments**

The Foundation has agreed to make payments of \$5,000 a year to 1 May 2007 (See note 6.)

The Foundation has agreed to make payments of \$3,000 in 2007 and 2008 for the new Faculty of Health scholarship. The Foundation expects to advance capital of \$30,000, to be matched by the Province of Ontario, that will fund this scholarship from 2009 on. The Y.U.F.A. Trust Fund has agreed to provide the funds upon receipt of a signed agreement.
